Product facts.

A concise reference for editorial coverage

MyTransgenderCupid is an online dating platform for trans women and people interested in dating them. It is available through its website and Android app, with profiles, discovery tools and messaging options for adults aged 18 and over.

Website and Android

Website: mytransgendercupid.com. The official Android app is available on Google Play under package com.mytransgendercupid.app.

Languages

English, Dutch, German, French, Spanish, Portuguese and Thai interface options.

Messaging access

Trans women can read and send messages free after the required profile-photo and photo-verification approvals. Men can use eligible conversation credits or choose Premium for messaging. Current account and purchase conditions apply.

Editorial enquiries

Use the contact form and identify your message as a press enquiry. Include your publication, angle, deadline, time zone and questions.
