Next: complete your profile

and you can start filling in your profile and write a short introduction about yourself.

About myself

For your own safety, do not fill-in your email address, phone number, Facebook, Skype or any other identifiable information.

Here you introduce yourself to the other members. In your own words, tell everything you want to say about yourself and the person you are looking for. For a good dating experience, it is important to clearly and completely fill this out. The inclusion of e-mail addresses and / or other contact details is not permitted.

Send for approval

At the bottom of the page you can save your profile.

If you have any questions, you can always contact our customer service. We can be reached 24/7 by using the contact form.
